Aetiology of Diabetes and its Complications: Ciba Foundation Colloquia on Endo- crinology (Book Review)	443
Agenesis of the Gallbladder	402
All That Glitters (Editorial)	238
Amylase Excretion, A Study of Urinary— in Normal Persons	407
Anemia, Transient Hypercholesterolemia in an Alcoholic with Associated Jaundice, Hyperlipemia and	490
Angina, Segmental Small Bowel Infarction Associated with Abdominal	347
Angiography:	
Correlation of Barium Studies with Visceral	21
Gastrointestinal	187
Animal Behavior and Drug Action: Ciba Foundation Symposium (Book Review)	362
Appendices Epiploicae, Infarction of the	469
Appendix, Epithelial Polyps of the Vermiform— A Review	338
Arteriovenous Fistula, Postcolectomy	352
Atlas of General Surgery (2nd Edition) (Book Review)	282

B

Barium Spray Technic, Double Contrast Radiographic Examinations of the Upper Gastrointestinal Tract Using	13
Barium Studies, Correlation of— with Visceral Angiography	21
Bedeutung und Wert der Laparoskopie und Gezielten Leberpunktion (Book Review)	362
Biopsy Studies of the Gastric Mucosa in Postoperative Patients with and without Marginal Ulcer, A	103
Bleeding:	
Effect of Octapressin (PLV-2) on Rate of Gastric Blood Flow and	181
Management of Gastrointestinal	309
Blood Flow and Bleeding, Effect of Octapressin (PLV-2) on Rate of Gastric	181
Bowel:	
Segmental Small— Infarction Associated with Abdominal Angina	347
Small— Ulceration	413

C

Carbohydrate Metabolism in the Subtotal Gastrectomy Patient	119
Carcinoma of the Duodenum in Association with Duodenal Carcinoid: Report of a Case	495
Carcinoid:	
Carcinoma of the Duodenum in Association with Duodenal— : Report of a Case	495
Periampullary— of Duodenum Producing Jaundice with Successful Local Excision	484
Cellular Injury: Ciba Foundation Symposium (Book Review)	442
Cholangiograms, Studies in 204 "Routine" Operative	130
Cholecystectomized Patients, Provocation of Serum Enzyme Activity in— Given Opiates	43
Christopher's Textbook of Surgery (Book Review)	282
Cinécholangiography, Percutaneous Transhepatic	28
Cirrhosis, Reassessment of the Fate of Esophageal Varices Following Portal Decompression in	38
Colon, Villous Adenoma of the	51
Contraindications to Operations on the "Acute Abdomen"	222
Correlation of Barium Studies with Visceral Angiography	21

D

Delirium Tremens: Hepatitis of	135
Detergents, Effect of— on Gastric Motility	481
Diagnostic and Therapeutic Results of Sliding Diaphragmatic Hernia	317
Diaphragmatic Hernia, Diagnostic and Therapeutic Results of Sliding	317
Diarrhea, The Treatment of— with Maleic Anhydride Ethylene Polymer	422
Differential Diagnosis of Diarrhea, The (Book Review)	528
Diseases of Metabolism Detailed Methods of Diagnosis and Treatment (Book Review)	442
Distribution of Serotonin (5 Hydroxytryptamine) in the Human Gastrointestinal Tract	34
Double Contrast Radiographic Examinations of the Upper Gastrointestinal Tract Using Barium Technic	13
Duodenal Carcinoid, Carcinoma of the Duodenum in Association with— : Report of a Case	495
Duodenal Ulcer, Obstructive Jaundice Secondary to	391
Duodenum:	
Carcinoma of the— in Association with Duodenal Carcinoid: Report of a Case	495

Periampullary Carcinoid of— Producing Jaundice with Successful Local Excision	484
Dynamic Pathology—Structural and Functional Mechanisms of Disease (Book Review)	442

E

Effect of Detergents on Gastric Motility	481
Effect of Maleic Anhydride Ethylene Polymer (Malethamer) on Intestinal Motility ..	416
Effect of Octapressin (PLV-2) on Rate of Gastric Blood Flow and Bleeding	181
Enzymes in Blood Plasma (Book Review)	282
Epithelial Polyps of the Vermiform Appendix—A Review	338
Esophageal Hemorrhage in Scleroderma	477
Esophageal Varices, Reassessment of the Fate of— Following Portal Decompression in Cirrhosis	38
Excretion, A Study of Urinary Amylase— in Normal Persons	407
Experience in Renal Transplantation (Book Review)	529
